**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I SUPPORT BROADBAND COMPETITION!!!

After years of TERRIBLE service from large internet service providers such as AT&T, I switched to a small provider, SONIC. I'm so much happier with their customer service and competitive pricing.

Competition stabilizes prices and that's especially important now when poor and middle class families in the United States are struggling... especially those in the Bay Area.

I'm urging you NOT to deregulate telephone companies. Many poor and middle class families depend on broadband and cannot pay higher prices for internet services.

Kind regards,

Sarah Burke
